

Cancer Services Program

1-888-345-0225

of Delaware, Otsego & Schoharie Counties

The New York State Department of Health and the **NEW** Cancer Services Program of Delaware, Otsego & Schoharie Counties (formerly the Healthy Living Partnership) is pleased to present our **FREE** cancer screenings. We offer breast, cervical and colorectal services to people who are uninsured or under-insured to cover these screening services. Criteria are as follows:

Breast & Cervical Cancer Screening:

- **Uninsured or Under-insured**
- **18-39 years old: Clinical Breast Exam & Pap Test**
- **40 years old+: Clinical Breast Exam, Pap Test & Mammogram**
- **Within 250% of Federal Poverty Guidelines**

Colorectal Cancer Screenings:

- **50 years old+: Annual Fecal Occult Blood Test & Processing**
- **Those with a positive FOBT result ~ further diagnostic follow-up**
- **Those with a personal or a family history of colorectal cancer or polyps may be eligible for further diagnostic procedures**
(Must be approved through the program prior to this procedure)

Other Services offered through this program:

- **19-26 year old women can receive the HPV vaccine**
- **Limited diagnostic follow-up procedures for those with findings**
- **Medicaid Treatment Act enrollment assistance**

**To find out if you or someone that you know is eligible
